

Happy Holidays!! Well, 2003 has been a very busy year for us. First of all, we moved during Christmas last year, so we apologize for not sending out Christmas cards last year. Our new address is 3470 Big Pine Rd. Melbourne, FL 32934- Phone number stays the same: (321)253-3310. We decided (needed?) to move into a bigger home with more room for Devin's Mom, who decided to live with us full time. We're very happy in our new home and are finally feeling settled in!

The boys are doing great! Jeremy is now in the 1st grade and doing well. He's involved in soccer, piano, tiger scouts, chess club, and starting this spring he'll try baseball. Bryan is now a full-time Montessori student and doing great. He's just trying to keep up with his brother and Lyndsey and can't wait to start soccer! He says "Just wait 'til Jeremy has to sit and watch MY game!!".

Lyndsey is in 6th grade and can't wait until she doesn't have to go to the elementary school with Jeremy anymore (they definitely behave like brother and sister, but in a good way). She's also involved in piano and soccer (she's actually very good and got moved up to the next age group this season and she loved it).

Cheryl's health is improving drastically! She's not regularly being monitored for Lupus or Rheumatoid Arthritis anymore. The doctors believe she either could be in the beginning stages of one of these diseases, or the elevated levels could just be the "norm" for her body. She's changed her diet, takes the right supplements for these diseases and started exercising. She jogs two miles 4x a week with Bryan riding his bike next to her. It's amazing how Bryan can keep up with her (or is it vice versa?) She has more energy and is generally feeling good. She also has changed jobs which has also changed her outlook as well. She started at Harris Corporation in June and is very happy in her new position. Not much new with Devin. He is still evaluating computer models for the Air Force and, in his spare time, golfing, brewing beer, and coaching Jeremy's soccer team.

We took the kids on many adventures this year. First, in March, we went to Colorado to see snow and to ski. Jeremy and Lyndsey loved it! Bryan cried and couldn't wait to go home. In May we went to Disney World for a long weekend. Jeremy loved it. Bryan cried and couldn't wait to go home. In July we went to Atlanta. Jeremy and Lyndsey loved it. Bryan cried and couldn't wait to go home. Are you seeing a pattern yet? Anyway, we're going to try again and go to Washington D.C, Hershey Park, and NY this summer and hopefully, Bryan will one day enjoy the family vacations!

What he does enjoy with the family is our new hobby of Geocaching. It's modern day treasure hunting with a GPS unit (www.geocaching.com). The kids love the adventures. They have each hidden their own caches in a local park and love to monitor how many people find their "treasure".

We hope you have a safe and happy holiday!

Devin, Cheryl, Jeremy, and Bryan Dean
